NADIA ALLEN, EXECUTIVE DIRECTOR

Dear Friends,

**The rate of Autism has increased to 1:110 children born today. Orange County families are not immune to this epidemic!**

You can assist individuals with autism spectrum disorders and their families who live, work and go to school in your community by partnering with Parents Run AMOC (Autism Move-a-thon of Orange County) and Mental Health Association in Orange County. The second 5K Road Race/Walk "Hustle for the Puzzle" will be held Sunday April 1, 2012 at the scenic Thomas Bull Memorial Park in Montgomery. The fund raising event also gives racers an opportunity to have a great event with prizes and a free buffet breakfast.

Any individual or business donating goods and services valued at **\$250** or more will have **their name printed on the t-shirt that is given to all our pre-race registrants as well as many other opportunities to be a sponsor at many different levels.**

Please be sure to visit us on the web at <http://www.mhaorangeny.com/amoc.html> for more information about Parents Run AMOC, the 5K event and other activities of interest. Take a look at photographs from previous events.

Thank you for your willingness to partner with MHA and AMOC to positively impact the lives of children and adults with autism spectrum disorders in our local communities.

Sincerely,

AMOC Volunteer
